

Masters Major List

Faculty	department	Field of study
Literature	History	History-History of Islam
		History-History of Islamic Iran
	English Language	English Language Teaching
		English Language and Literature
	Linguistics	Teaching Persian language as a Foreign Language
		Universal Linguistics
		Linguistics-lexicography
	Arabic Language and literature	Arabic Literature
		Arabic Translation
	Persian Language and literature	Persian Language and Literature
Persian Language and Literature as a Foreign Language		
French Translation	French Translation	
Theology and Islamic studies	Religion and Islamic Gnosticism	Religion and Islamic Gnosticism
	History and Culture of Islamic Civilization	History and Culture of Islamic Civilization
	Quran Sciences and Hadith	Quran Sciences and Hadith
	Islamic Philosophy and hikmath	Islamic Philosophy and Theology
	Fighh and Basics of Islamic Law	Fighh and Basics of Islamic Law
Social Sciences and Economics	Economics	Economic Sciences-Energy Economy
		Economic Sciences-Economic System Planning
		Economic Sciences-Economic Development and Planning
	Accounting	Accounting
		Auditing
		Management Accounting
	Social Science	Social Science Research
		Sociology
	Management	Business Management-Marketing
		Management of Information Technology-Advanced Information System
		Management of Information Technology-Electronic Business
		Business Management - Strategy
		Business Management-Organizational Behavior and Human Resource
	Women and Family Studies	Women Studies-Women's Rights in Islam
		Women Studies-Woman and Family

Masters Major List

Faculty	department	Field of study
Education and Psychology	Psychology	Clinical Psychology
		Public Psychology
	Educational Psychology	Educational Psychology
	Librarianship	Knowledge and Information Science-Knowledge Management
		Archive Studies
	Management and Educational Planning	Curriculum Planning
		History and Philosophy Education
		Educational Management
Counseling and Guidance	Counseling-Family Counseling	
Mathematics Knowledge	Statistics	Mathematical Statistics
	Mathematics	Mathematics and Applications - Analysis
		Mathematics and Applications -Algebra
		Mathematics and Applications – Graphs and Combinations
		Mathematics and Applications - Geometry
		Pure Mathematics
		Applied Mathematics-Differential Equations of Dynamical Systems
Life science	Biotechnology	Biochemistry
		Biophysics
		Microbial Biotechnology
	Plant Sciences	Biology of Plant Science - Systematic and Ecological
		Biology of Plant Science-Physiology
	Microbiology	Microbiology - environmental
		Pathogenic germs : Microbiology
sport sciences	Motor Behavior	Motor Behavior- Teaching Physical Education
		Motor Behavior-Movement Development
		Motor Behavior-Motor learning and control
	Sport Physiology	Sport Physiology-Pure Exercise Physiology
		Sport Physiology-Applied Exercise Physiology
	Sport Management	sport management-strategic management in sports organization
		Sport Management-Marketing Management in Sport

Masters Major List

Faculty	department	of study Field
Innovative Sciences and Technologies	Information Technology	Information Technology Engineering
	Engineering	Industrial Engineering- Production and service systems
Engineering	Industrial Engineering	Industrial Engineering- Production and service systems
	Computer Engineering	Computer Engineering - Software
		Computer Engineering- Artificial Intelligence
	Mechanic Engineering	Energy Systems Engineering-Energy Systems
Technologies Energy Systems Engineering- Energy		
Physics-Chemistry	Chemistry	Organic Chemistry
		Analytical Chemistry
		Physical Chemistry
		Inorganic Chemistry
		Nano Chemistry
	Physics	Photonics
		Statistical Physics and Complicated Systems
		Plasma Physics
		Physics of Elementary Particles & Fields
		Physics – Condensed Matter
		Physics–Gravitational physics and cosmology
		Physics-Optics and lasers
		Nano Physics
	Art	Visual Communication
Art Research		Art research
Handicrafts		Handicrafts
Industrial Design		Industrial Design
Textile and Fashion Design		Textile and Fashion Design
Painting		Painting
